PROFILE

Motivated and adaptable final-year B.Tech Civil Engineering student with strong communication, leadership, and problem-solving abilities. Eager to begin a professional career in a dynamic and growth-oriented organization. Known for being a quick learner, team player, and dedicated individual with a passion for delivering quality results. Open to exploring opportunities across various domains to build a strong foundation and contribute meaningfully to team and organizational success.

INTERNSHIP /EXPERIENCE

UltraTech Cement Ltd. (RMC Division) | Internship

Dec 2025 – Jan 2026

- Gained practical exposure to Ready-Mix Concrete (RMC) production and quality control processes.
- Observed concrete mix design, batching, and testing procedures in an industrial setup.
- Assisted in quality assurance activities and learned about material properties and standards.
- Developed understanding of site operations and technical services in the cement industry.

PROJECTS

STUDIES ON EFFECTIVENESS OF CHEMICAL AND MINERAL ADMIXTURES ON SPECIAL CONCRETE

Conducted an experimental study analyzing the impact of various chemical and mineral admixtures on the properties of special concrete. Evaluated parameters such as workability, strength, durability, and setting time through laboratory testing, and compared performance improvements against conventional concrete mixes. Developed optimized mix designs to enhance concrete performance for specific engineering applications.

TECH SKILLS

TECHNICAL SKILLS	:	AutoCAD, Site supervision, ETABS, STAAD PRO, Revit, Quantity Surveying
SOFT SKILLS	:	Teamwork, Leadership, Problem Solving, Adaptability
IT SKILLS	:	Python, MS Excel, Html
